Hepatitis by the Numbers - Find all the data by state and congressional districts

[csg.org](https://www.csg.org)

Founded in 1933, The Council of State Governments is our nation's only organization serving all three branches of state government. CSG is a region-based forum that fosters the exchange of insights and ideas to help state officials shape public policy. This offers unparalleled regional, national, and international opportunities to network, develop leaders, collaborate and, create problem-solving partnerships.

[WomeninGovernment.org](https://www.womeningovernment.org)

Women In Government Foundation, Inc., headquartered in Washington, D.C., is a national, non-profit, non-partisan organization of women state legislators that provides leadership opportunities, networking expert forums, and educational resources to address and resolve complex public policy issues to all 1,791 women state legislators.

Follow or join the National Viral Hepatitis Roundtable. Be a part of the national movement.

The National Viral Hepatitis Roundtable is a broad coalition working to fight, and ultimately end, the hepatitis B and hepatitis C epidemics. NVHR seeks an aggressive response from policymakers, public health officials, medical and health care providers, the media, and the general public through our advocacy, education, and technical assistance.

[hepbunited.org](https://www.hepbunited.org)

Hep B United is a national coalition to address and eliminate hepatitis B, a serious liver infection that is the leading cause of liver cancer.
