

Caring Ambassadors Program, Inc.

PO Box 1748 - Oregon City 97045

Telephone: 503.632.9032 FAX: 503.632.9038

Dear Volunteer,

Thank you for volunteering to help at the Caring Ambassadors Hepatitis C Program hepatitis C testing event during the Waterfront Blues Festival in Portland, Oregon. It is going to be an exciting year. Robert Plant is closing the Festival on Sunday!

PRE-EVENT CONTACT: Name Cell Phone email

EVENT CONTACTS: Contact 1 (insert cell phone number), Contact 1 (insert cell phone number)

EVENT LOCATION:

Tom McCall Waterfront Park

1020 SW Naito Pkwy (on the Willamette River)

When you arrive at the event, please enter at the gate (just north of the main gate, at the base of the ramp of the Hawthorne Bridge). Tell the gate attendant you are a volunteer for the Hepatitis C Caring Ambassadors. We will be located within the Health Net Pavilion, next to the Oregon Food Bank Store. The Smart Park garage at 1st and Jefferson is the only parking lot that we can validate parking tickets.

EVENT ATTIRE:

We will provide you with name badges and a t-shirt to identify you as a volunteer upon your arrival. Please dress comfortably in clean, appropriate clothes. If you have a t-shirt from last year, please bring it.

We suggest you wear layers as the weather in Portland can change very quickly. Bring sunscreen, a hat, a raincoat, and wear comfortable shoes. Please do not wear: cutoffs, short shorts, ripped or frayed jeans, sweats, or workout clothes. Remember you are working not attending the event.

OTHER FREE HEALTH SCREENINGS:

Caring Ambassadors Program sponsors the Lions Club van to conduct vision, eye, hearing, glucose, and blood pressure checkups. You will direct people to their sign up table or to the hepatitis testing table or both.

HEPATITIS C TESTING INFORMATION

We have provided in this packet a list of hepatitis C facts and figures. Please read through this and pick out a few facts that resonate with you and that you will feel comfortable using when talking with people about hepatitis C.

If you have any questions, please ask.

Thank you for volunteering. Your help is greatly appreciated.
