BABY BOOMERS TO ELIMINATION

ACTIONS

1. Continue to screen and treat baby boomers
2. MAT
3. Widespread Narcan distribution
4. Increase harm reductions
5. Assist other Oregon Tribes to start hep C programs.

FOR THE FUTURE

- ▶ 1. We need to move to universal screening
- ▶ 2. Hep C treatment needs to be mainstreamed to primary care.
- ▶ 3. We need to continue and increase efforts to address the opioid crisis
