Bridget O'Connor BSN,

[boconnor@laclinicahealth.org](mailto:boconnor@laclinicahealth.org)

Partner: Jackson Care Connect (Care Oregon CCO)

## West Main Health Center

- Original treatment clinic
- Treated 34 patients in 2019
- New Hep C provider
- Case management panel of 15 active patients (Wellness Coach/RN) additional 12 unengaged.
- Referral site for Birch Grove Clinic

## Phoenix Health Center

- Also treated 34 patients
- New pharmacy in clinic
- 30 patients in various stages of treatment/engagement with case management RN/Wellness Coach
- Pt able to continue tx in jail and after transfer to prison
- 1 patient did not complete treatment

## CCO: Jackson Care Connect/Care Oregon

- Approx. 40 patients not engaged in care. Working directly with substance use tx providers in community to facilitate engaging those who did not previously qualify
- Wrap payments

# LA CLINICA

AFFORDABLE HEALTH CARE EXCELLENCE FOR ALL

## Summary Next Steps

- No longer losing patients due to long PA process
- There are many patients in the community who would like treatment; currently only able to treat patients who have primary care with us.
- Developing treatment team at Birch Grove
- Continue to engage patients who did not previously qualify

*“I am constantly amazed and touched by the gratitude that patients express.”* Sierra Gwin, RN case manager
