Hepatitis C Case Management Expansion

Hepatitis C Case Manager (HCV CM): Leland Hilarides

- Received Grant to expand HCV Case Management Program and HCV Testing Services in Lane County - October 2019
- FTE of HCV CM and Testing Coordinator increased from 0.5 to 1.0 FTE each
- Previously only screened for HCV, will now provide confirmatory testing services with expansion
- Two main goals of expansion:
 - Increase number of individuals screened and tested for HCV
 - Increase number of people living with HCV access medical care in order to receive HCV treatment

Next Steps

- Increase number of testing sites and times in Lane County
- Provide phlebotomy services to do HCV confirmatory testing
- Refer individuals who test positive for HCV to HCV Case Management
- Assist individuals living with HCV to access medical care and receive treatment
